In 2016, the Department of Justice alleged violations of the Clean Air Act by Volkswagen (including Audi and Porsche) covering all of Volkswagen's 2.0L and 3.0L diesel vehicles sold in the United States from model year 2009-2016. All relevant data from the affected vehicles have been removed from this website until there is an EPA- and California Air Resources Board (CARB)-approved emissions modification. The SmartWay designation will be grandfathered in for the affected vehicles as long as the vehicle has been modified if an approved modification is available. visit <http://www.fueleconomy.gov/feg/SmartWay.do>
